We are delighted to invite you to participate in our Annual Golf Tournament Fundraiser! All you need are your clubs and the desire to make a difference. **1 in 9 households in Kentucky pay more than half their income on housing.** This cost burden negatively impacts families mentally, physically, emotionally, and academically (especially children). Every swing at our golf tournament is a life changing opportunity for a Habitat family on their way to safe, secure, and affordable homeownership! Habitat offers a unique homeownership opportunity in the form of a **hand-up, not a hand-out**. Our families provide 250 hours of sweat equity on the build site and through financial literacy classes. Once their new home is complete, they pay an affordable mortgage. All proceeds from the tournament support the home-building program in both Scott and Bourbon Counties.
